Subject: FW: pre-meet tomorrow

All:

Attached is an updated proposal (apparently BLM's new Plan A). It basically maintains the

balance sheet approach until certain triggers are met. For some reason, it does not maintain the DI&M or Ozone Action requirements.

Please review and I'll set a meeting for us to talk before the Tuesday 3:00 pre-meeting with BLM. I'll give Jenna a call and see if I can get a read on what their thinking is in making the changes.

Subject: pre-meet tomorrow

Hi Phil and all -- we are set for our meeting with Newfield on Thursday in Denver, starting at 11:30 Mountain. We are meeting at the Beatty-Wozniak office at 216 Sixteenth Street, Suite 1100. Robert Fisher will be facilitating our meetings as in the past.

The attached proposal will be the BLM's starting point for the Thursday meeting. EPA and BLM have a "pre-meet" scheduled for tomorrow at 3 PM Mountain. Please add any EPA staff to the pre-meet call, as necessary.

For the meeting on Thursday, it will be me, Kent Hoffman, and Leonard Herr, and Jim Karkut from our Reg. SOL office. I've encouraged Newfield to have an equally-sized group, but I don't yet know who will be attending. Phil, please let me know who will be attending from EPA.

Please give me a call with any questions, Phil. Look forward to visiting tomorrow.
Thanks! j
